**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that support broadband connection competition. I feel the giant companies like AT&T and Comcast provide terrible service and neglect their customers by charging them more than what their service is actually worth. Not to mention their customer service is horrible. Therefore I stand by local and competitive broadband competition.
